

# **Korea's Information Services on Safety & Health**

**- Centered on Unification of websites -**

**May, 2003**

**CIS National Centre of Korea  
On KOSHA**

# Fundamental Notion

- **Accident prevention methods**
  - Installation of safety equipment
  - OSH education & training
  - Creation of the voluntary prevention environment by enhancing the safety awareness
- **Development of the voluntary prevention environment can be most effective method**
  - By exchanging OSH information and,
  - Enhancing the safety awareness

# Accident prevention scheme through Network

- Accumulate the OSH information on network.
- Make workers easily accessible to the information and apply it in industry
- Promotion of the safety awareness by exchanging information and now-how on OSH
- Creation of the voluntary prevention environment

# Dissemination of OSH Information through two websites

- **KOSHANET Service**
  - Providing OSH information from 1999
  - Legislation, technical data, accident cases and so much information about OSH
- **KOSHA Homepage : [www.kosha.or.kr](http://www.kosha.or.kr)**
  - Offer a public information : KOSHA's activities for preventing work related accident
- **Operated by KOSHA separately until last year**
  - Workers get the information on OSH through two sites
  - Users sometimes confused due to the separated sites

# Unification of two sites

- **Unify those two sites and open full-scale services from Jan. this year.**
  - Improve the problems and strengthen the function
  - Focus on user-centered services
- **Distinctive features of newly unified website**
  - Expanded acceptance service of cyber civil affairs \*
  - Consulting service on OSH technologies
  - Application for safety & health training
  - Cyber safety playground \*

# Newly Unified site

## Cyber Civil Affairs

The screenshot shows the KOSHA website homepage. At the top left is the KOSHA logo and name. A navigation menu contains links for '공단소개', '사업안내', '사이버민원실' (circled in blue), '안전보건DB', '안전보건채널', '커뮤니티', and '마이데스크'. Below the navigation is a 'Welcome to KOSHA' banner with a user profile section on the left and a large image of a man holding a child on the right. The main content area features a search bar, 'Related organizations' dropdown, and several informational tiles: '법률정보', 'MSDS', '안전보건정보' (with a sub-menu), 'KOSHA CODE', and '산업재해통계'. A 'Cyber Safety Playground' section is circled in blue at the bottom left, listing activities like '드로즈워드', '직소퍼즐', '그림맞추기', and '메모리게임'. A 'KOSHANET/즐거찾기' sidebar is on the right.
