

# ***CIS Meeting Friday 23 May 2003***

---

**Short presentation**

**from**

***Sheila Pantry OBE***

# *CIS Newsletter*

---

- Issued monthly
- sent out by email to over 110 people worldwide – some who are not CIS Centres. Further cascaded to others in the various institutions and also networks, e.g. CIOP, Poland to about 100 others in Poland; TNO Arbeid Netherlands sends to about 135 in the GOSH network
- master sent by post to Prevent who print and mail to about 80 names
- back files from 2002 held on [www.sheilapantry.com](http://www.sheilapantry.com) CIS Newsletters
- Content
  - News from CIS
  - News from around the world
  - New titles – cd-roms, reports, books, videos
  - Web sites to explore
  - Diary of Events.... Major events/ideas to use

## *Future of CIS Newsletter.....*

---

- Content – should it be altered , if so with what what?.....ideas, suggestions, what works?
- Should it be sent out electronically??? Or an alert sent that it is published on the web?

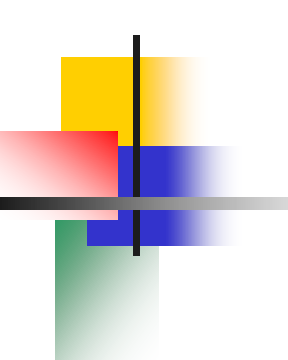

# *EUROHSE2003 Conference, Royal National Hotel, Russell Square, London, 4-5 November 2003*

---

■ content... following the European Union Strategy Paper 2002 – 2006.....looking for the future of OSH.....international speakers asked to identify:

- new ways of working and how this is influencing OSH
- research results, what should be done and by whom
- training for the future for all categories of workers
- hot topics – inspectorates and the future, corporate killing, disabled workforce and more.... Programme handout also see [www.eurohse2003.com](http://www.eurohse2003.com)

*Products to have on 30 day free trial  
via CD-ROM or the internet see  
brochure*

---

- Fire Worldwide.... Full text guidance , advice and legislation and also 7 bibliographic databases.... arguably the world best collection of fire information
- Environment Plus ... full text – guidance, advice and legislation plus bibliographic database covering integrated pollution prevention and control information
- OSH-ROM – now you seen the rest look at the best .... 1.3 million records covers all topics and up-to-date e.g.RILOSH
- OSH Ireland
